resident database : test unit

From this screen you can view the details of this particular unit. Use the tabs and the links below to browse through the various areas of information.

A screenshot of a web application interface for a resident database. At the top, there are five tabs: 'Unit', 'Occupants', 'Visitors', 'Account', and 'Notes'. The 'Visitors' tab is selected and circled in red. Below the tabs, there are two sub-tabs: 'guests' and 'contractors'. A dropdown menu labeled 'Show Guests That Are:' is set to 'Active Only'. Below this is a large empty rectangular box containing the text 'No guests found for this unit.' At the bottom left of this box, there is a blue button labeled 'Add Visitor', which is also circled in red. At the bottom left of the entire interface, there is a grey 'Back' button.

Select the “Visitor” Tab, then click “Add Visitor”
