50% of all pedestrian fatalities and 80% of serious injuries, due to the frontal impact of a car, happen at 21-30mph, but only rarely at 20mph or below, as there is more time to react, brake, stop, and ideally, avoid a crash.

LBS - Own Ride Service! O'Hare - Local - The Loop

Tom and DeDe Langer

“Why We Like To Ride With Denny” *Reliable Relaxing Reasonable*

Geez, you know it's easy to say “wow that Denny, what a great guy!” The world however is full of great people, but few are authentic. We didn't compare cost to other ride services like Uber or Taxis. For us, the cost is relative. We have heard fabulous stories about Denny from other airport travelers. Our choice is to keep our dollars in our community. Denny is an outstanding driver and terrific conversationalist. Whether speaking with you or being silent, Denny knows how to read his car! He knows LBS and shares its rich history. The ride is quite fun, very informative and sprinkled with laughter. Remarkable? We say yes to that. Denny will take you wherever you need to go in his sassy Lincoln SUV on time and every time. Denny is by far the only ride for us!

Sailboats, kayaks and our pontoon boat on Lake Barrington. Photo by Judie Reynolds

How Did Sailing & Sailboats Become a Part of Lake Barrington?

Dan Brockman contributed to this article.

You may wonder how our lake became a sailing venue for its residents. Since Lake Barrington Shores began in 1974, there have always been activities centered around the Lake. The Marina was included from the first development and early sales brochures show an aerial shot of the marina along with sailboats, canoes, fishing boats and the pontoon boat.

It started with the LBS logo. The official logo for Lake Barrington Shores depicts a sail in front of a setting sun. The sales brochures for this new development indicated that there were sailboats and sailing lessons. Most early photographs and advertisements show these type boats on the lake.

It turns out that the developers had to make good on those promotional points.

Joe Cragan and Jim Zaremba had become summer workers at the fledging LBS development. One day, they were told a truck would be delivering sailboats to Lake Barrington Shores and they would have to set them up and be prepared to provide free sailing lessons because that's what it said in the sales brochure. Neither had ever sailed before so you can imagine their surprise. In about two hours, they pulled the boats off the truck and set them up. Joe read the instruction book on how to sail. With book in hand he was able to take a boat out and get it back. Within another hour a resident was there for her free sailing lesson.

In the early days, sailing was an individual sport. In 1985, a club was formed to organize races and award prizes and trophies. This club was named the Lake Barrington Shores Sailing Association (LBSSA). Carl Orgell organized the sailing association with Peter Weinert.

Today, the LBS Sailing Association continues the tradition of providing Learn-to-Sail lessons to our residents. If you see a pair of sailors on a sailboat on a Saturday afternoon, you're probably looking at a new sailor graduating from sailing class. And, during the summer, you may see your neighbors participating in a Sailing Regatta on a Sunday afternoon.

INSURANCE CHECKUP

The condominium association insurance coverage renews each year on October 1. This is a good time to review your coverage with your insurance agent to confirm there are no gaps in protection.

As an aid in this process, a letter has been prepared by the association's insurance broker for you to provide to your agent. A copy of this letter can be found by [clicking here](#) or by visiting lakebarringtonshores.org.

ADULT FISHING CLINIC - JULY 15th

For the last class of the summer we had one special attendee! It was my good friend Bob Roth who hardly caught any fish before. And I gave him a special treat.

We fished from a boat with only artificial lures. And he surprised me how good he is! His casts were accurate and he swam the lure like a real minnow. We caught some nice largemouth bass. Bob even caught a big crappie, which is very hard to catch during these hot summer months.

We had a blast...what a way to end the fishing classes for the year!

LBS MC2 RATE / COMED RATE / VILLAGE OF LAKE BARRINGTON MC2 RATE

The Village of Lake Barrington sent out a letter that everyone in LBS received recently. The Village of Lake Barrington has had a Municipal Aggregation Agreement with MC2 charging 7.25 cents/kWh. Beginning in August, the Village MC2 Rate will exactly match the ComEd rate every month. Everyone who has signed up for the LBS/MC2 program will continue to pay 6.95 cents/kWh (one line item under Supply Charges on your ComEd bill).

The ComEd price to compare is 10.1 cents/kWh. Additionally, there will be a line item called Purchased Electricity Adjustment on the monthly bill with ComEd or the Village Program. This can be up to ½ cent more or ½ cent less every month.

If you are currently with MC2 paying 6.95 cents/kWh, nothing will change. If you are with ComEd currently, or on the Village MC2 Program, the LBS/MC2 Program is the least costly option. Please make sure to check your ComEd bill if you are on autopay and do not actually see your ComEd bill every month.

Any questions, please contact:

HOUSEHOLD CHEMICAL WASTE COLLECTION JULY 19

The Solid Waste Agency of Lake County will host a Household Chemical Waste collection event from 8 a.m. to 2:30 p.m. July 19 at Lakes Community High School, 1600 Eagle Way, Lake Villa.

Household Chemical Waste (HCW) is a term used to describe a variety of chemical products found in a household that have toxic or hazardous characteristics. Common HCW products include, but are not limited to, cleaning products, oil based paints/varnishes, flammable liquids, automotive products and garden chemicals.

When disposed of improperly (pouring them down the drain or disposing in the garbage), these products can contaminate the groundwater and harm the environment. Our HCW provides Illinois residents with this opportunity.

The collection is free for all Illinois residents. Appointments are required.

[Learn about the types of materials accepted at this mobile collection](#)

LAKE BARRINGTON SHORES *Kindness Grows Here*

In every corner of our community, small acts of kindness are taking root, spreading positivity and strengthening the bonds that hold us together. "Kindness Grows Here" shines a light on these inspiring moments, reminding us all that even the simplest gestures can make a big difference. Whether it's a neighbor helping another, a stranger lending a hand, or an unexpected act of generosity, these stories show that kindness is not just an occasional act, but a way of life at Lake Barrington Shores. Let's celebrate the ways kindness is growing right here, in the heart of our home.

Share your examples of kindness by emailing info@lbs-hoa.org.
