Winter Maintenance & Safety Tips

Lake Barrington Shores SM

Have your furnace inspected for proper function and the filter replaced.

Make sure you have an emergency contact with a key to your home listed with the association.

Make sure smoke alarms and carbon monoxide detectors are installed and working on every floor of your home.

Check batteries on your thermostat, smoke alarms, carbon monoxide detectors, and sump pump battery backup.

Have your fireplace and chimney inspected and cleaned prior to use for the season.

Keep garage doors closed. Attached garages can have water pipes in them. Plus this will also stop cold air from entering home.

Weatherproof your outdoor plumbing. Shut off the supply of water to outdoor spigots and drain them. Rollup your sprinkler hose & store it for the winter.

Block drafts using weather stripping, window film and caulk to control heat loss around windows, doors and baseboards.

Winterize your home when you leave for extended periods.

- Keep temp at 55°
- Turn off water at main and drain lines by opening up faucets
- Flush toilets and add antifreeze

In extreme cold, open kitchen and bathroom cabinet doors to circulate warm air. Have your faucets trickle water. If you have a pipe burst, shut off water at main and contact a plumber and the association.

Speed Kills

Higher vehicle speeds significantly increase likelihood of death

Our bodies can only tolerate so much physical impact. Even small increases in vehicle speed significantly escalate risk of severe injuries and deaths. System designers and policymakers can use proven tools to encourage lower, safer speeds. Where there is a mix of people walking, biking and driving — 20 is plenty!

HOLIDAY GATE PASSES 2025

Gate passes can be ordered in advance which will aid in smooth entry at the main gate during this Holiday Season. Please see instructions below on how to order a gate pass for this upcoming holiday season.

If you do not utilize the gate pass, please be sure to add your guest to the gate list by using ABDi gate access app or website. To avoid backups at the gate, entry will be denied to any visitors not listed. Your visitor will be asked to turn around and contact you to add them to the gate list.

Please be sure to remind your guests of the rules of the road. The speed limit of 20 mph is strictly enforced along with making complete stops at stop signs. For a copy of the rules and enforcement schedule, please go to [MOTOR-VEHICLE-REGULATIONS Amended-5.11.22.pdf](https://lakebarringtonshores.org/MOTOR-VEHICLE-REGULATIONS%20Amended-5.11.22.pdf) (lakebarringtonshores.org).

Please note that owners are responsible for their guests pursuant to Article III (D) of the and Regulations. LBCHA Rules Finally, this pass works at the main entry on Route 59 between Miller and Kelsey Road only.

Holiday Gate Pass – Deadline to Submit December 23

If you are expecting guests, you can order a gate pass for easy entry at the main gate for your guests.

- Email lbssecurity@lbs-hoa.org
- Include your name and address.
- Include the full name of your guest(s).
- Include date or date range pass is needed.
- Public Safety will email back to you a gate pass which you can distribute to your guests.

YO MAMA!

This space devoted to tips and info to help Mother Earth, desperately in need of our TLC.

With the holidays fast approaching and the flurry of gift buying in full force, take pause and consider the following ideas that are environmentally sound:

Tote bags. Reusable for carrying groceries, books and other items that get \packed in plastic bags when purchasing. Google totes for cute and inexpensive ideas.

Soap. Makes a nice stocking-stuffer or hostess gift. Try Trader Joe's for some aromatic scents.

Foodstuffs. I recently purchased a variety of salsas to give as gifts. Other fun ideas are a bag of hard nuts, a box of fresh oranges, wine, figs, tea, cheese assortment/crackers - again try Trader Joe's.

A plant. A gift that keeps on living. Green plants also act as air purifiers in the home.

Give an experience. I personally like giving as well as receiving this. Movie tickets, concert tickets, gift card to a restaurant or pizza place, etc... And while a gas card isn't exactly an experience I know my nephew appreciated it when he purchased his car!

A **charitable donation** specific to the receivers interest - an environmental organization, animal welfare agencies, a health related organization etc...

Finally, as grownups, do any of us really need more "stuff". Think of what the environment needs or does not need this year. Enjoy the season.

"Sharing the holiday with other people, and feeling that you're giving of yourself, gets you past all the commercialism." -Caroline Kennedy

Community Corner

Our Lake at Lake Barrington Shores offers year-round beauty and recreation, with each season giving the lake a different personality and set of benefits. **Spring** – In springs, the lake's shoreline comes alive with emerging wildflowers and fresh green foliage along the paved path that circles the water, creating a scenic backdrop for walking, jogging, and birdwatching. Milder temperatures and longer days make it ideal for enjoying quiet paddling and early-season fishing on the 96-acre lake before summer activity increases. **Summer** - Summer showcases the lake as a true resort-style centerpiece, with sandy beaches, swimming areas, and boating and sailing opportunities just steps from home. Residents benefit from easy access to the marina and community boats, turning everyday life into a vacation experience with sunrises over the water and warm evenings by the shore. **Fall** - In fall, mature trees around the three-mile pathway and forest preserve reflect vivid colors in the water, making simple walks feel like nature excursions. Cooler air and calmer lake use create peaceful conditions for fishing, photography, and reflective time by the shoreline benches and overlooks. **Winter** - In winter, the lake becomes a tranquil, snow-framed focal point, with views of mist, ice, and occasional deer adding to a peaceful, retreat-like atmosphere. Residents enjoy the visual calm of the frozen lake from paths and windows, while the surrounding amenities and trails keep the lakeside landscape engaging even in the coldest months

Community Corner

We are thrilled to announce the launch of our **2026 Golf Memberships!**

Thank you for the warm welcome we received from the Lake Barrington Shores community, and to all of our golf members who helped make the 2025 season such a tremendous success. We're excited for the 2026 season ahead and the many improvements to come! You'll notice a few updates this year, beginning with our membership names:

The **Platinum Membership** will become the **SIGNATURE Membership**.

The **Silver Membership** will become the **CLASSIC Membership**.

Residents will be referred to as **PREMIER Members**.

We are also pleased to share that **Monthly Member Charge Accounts** will now be available for both Signature and Classic memberships. Many of you requested this added convenience, and we're delighted to offer it beginning in 2026.

In even more good news,
greens and cart fees will remain unchanged for the upcoming season.

Looking ahead, we're planning a full calendar of **golf and social events**, as well as enhanced dining experiences. Member-Guest and Member-Member tournaments will once again be highlights of the season, complemented by fantastic social events such as wine tastings, Easter Brunch, holiday celebrations, and more - everything that makes belonging to a private club truly special.

Early Bird Pricing will be available through **January 15, 2026**. Be sure to take advantage of these membership savings!

We can't wait to share another great year with you on and off the course.

On the following page you will find the membership rates as well as the link to our 2026 membership application.

COURSE IS NOW CLOSED FOR THE SEASON

Dear Residents & Members,

As we move into the off-season, please note that the golf course is now closed for all play and general use until it reopens in the spring. It was a pleasure serving you this season!

During the off months, our grounds team works to protect and prepare the turf for next season. The grass is dormant and especially vulnerable to damage. To help maintain course quality, we ask that residents refrain from any activities that may harm the turf, greens, or course features. Golf play is strictly prohibited, and rules violations will be issued.

We understand that many residents enjoy walking and taking in the winter scenery. We would like to discourage you from being on the golf course at all, because we are trying to continue to improve course conditions. However, if you do venture out, wherever possible, please try to stay on the sides and avoid the greens, tee boxes, bunkers and fairways, and always keep safety and course preservation in mind.

Your cooperation ensures that the course remains in excellent condition for everyone to enjoy when it reopens in the spring.

Thank you for your understanding and continued support of this asset in our community.

"Gardening is the art that uses flowers & plants as paint, and the soil and sky as canvas" - Elizabeth Murray

Growing Our Butterfly Garden

A wonderful new garden feature is coming to LBS. The Helen Horton Memorial Butterfly Garden will be located at the foot of the Marina Deck. It will feature a range of native plants sure to attract a variety of gorgeous butterflies. We honor the memory of Helen as one of the founders of the Gardeners of the Shores.

To fund this project, we're selling sweet, yeasty breads called Butter Braids, which have 25 buttery layers and come in mouthwatering fillings like cinnamon, cream cheese and fruit flavors. Great for breakfast, dessert, holidays or any special occasion. For more information, please call Carol Dallstream at (847) 380-0486.

How to order: Order forms can be found on the lower level of the Lodge by the coffee machine. Physical order forms can be dropped off with your check at the home of Maria Rapata, 271 Oak Hill. Please look for the drop off basket. Digital orders can be placed using the QR code on the order form.

Orders must be in by December 12th and picked up on December 19th. Get your Butter Braids in time for Christmas AND help the butterfly garden come alive!
