## **HOLIDAY GATE PASSES 2025**

Gate passes can be ordered in advance which will aid in smooth entry at the main gate during this Holiday Season. Please see instructions below on how to order a gate pass for this upcoming holiday season.

If you do not utilize the gate pass, please be sure to add your guest to the gate list by using ABDi gate access app or website. To avoid backups at the gate, entry will be denied to any visitors not listed. Your visitor will be asked to turn around and contact you to add them to the gate list.

Please be sure to remind your guests of the rules of the road. The speed limit of 20 mph is strictly enforced along with making complete stops at stop signs. For a copy of the rules and enforcement schedule, please go to [MOTOR-VEHICLE-REGULATIONS Amended-5.11.22.pdf](https://lakebarringtonshores.org/MOTOR-VEHICLE-REGULATIONS%20Amended-5.11.22.pdf) ([lakebarringtonshores.org](https://lakebarringtonshores.org)).

Please note that owners are responsible for their guests pursuant to Article III (D) of the and Regulations. LBCHA Rules Finally, this pass works at the main entry on Route 59 between Miller and Kelsey Road only.

### **Holiday Gate Pass - Deadline to Submit December 23**

If you are expecting guests, you can order a gate pass for easy entry at the main gate for your guests.

- Email [lbssecurity@lbs-hoa.org](mailto:lbssecurity@lbs-hoa.org)
- Include your name and address.
- Include the full name of your guest(s).
- Include date or date range pass is needed.
- Public Safety will email back to you a gate pass which you can distribute to your guests.

All submissions for inclusion in the Wednesday issue of **The Shores Weekly** are due on Monday by 12:00pm.

Any submissions received after 12:00pm on Monday will go in the following week's issue.

LRS will provide an annual special collection of Christmas trees at no charge starting on your first day of service after Christmas through the first two weeks of January.

- The tree must be real, not artificial, not in any plastic bags and free of tinsel, lights, ornaments and not frozen to the ground.
- Trees must be placed curbside
- Flocked trees, trees with shiners, tinsel, light bulbs, glitter, wire, or plastic or in plastic bags will not be included in this special collection
- Due to snow and ice, trees may not always be picked up on your service day as our drivers and trucks will be in the village all month for pickups

## HOLIDAY WASTE SCHEDULE:

Holiday service will be provided one day later than regular collection, if the holiday falls Sunday through Friday. If the holiday falls on a Saturday, service will not be affected.

Christmas Day - delayed to

New Year's Day

Memorial Day

Independence Day

Labor Day

Thanksgiving Day

## GARBAGE BIN STORAGE REMINDER:

Garbage and recycle containers must be stored indoors at all times. Most, though not all, Associations within LBS allow the containers to be placed outside either after 6:00 PM or after dusk the night before the scheduled pick-up day. The containers must then be placed back inside your garage on the same day as pick-up. Some Associations do not allow containers to be moved outside the evening before pick-up and you must wait to put them outside until the morning of the scheduled pick-up day. Please review your rule book or contact the management office if you are unsure of your individual Association's rules.

## INSURANCE

Questions about what homeowner insurance you should carry compared to what your HOA insurance provides? Check the link below for the information by HOA:

# Winter Maintenance & Safety Tips

*Lake Barrington Shores* <sup>SM</sup>

Have your furnace inspected for proper function and the filter replaced.

Make sure you have an emergency contact with a key to your home listed with the association.

Make sure smoke alarms and carbon monoxide detectors are installed and working on every floor of your home.

Check batteries on your thermostat, smoke alarms, carbon monoxide detectors, and sump pump battery backup.

Have your fireplace and chimney inspected and cleaned prior to use for the season.

Keep garage doors closed. Attached garages can have water pipes in them. Plus this will also stop cold air from entering home.

Weatherproof your outdoor plumbing. Shut off the supply of water to outdoor spigots and drain them. Rollup your sprinkler hose & store it for the winter.

Block drafts using weather stripping, window film and caulk to control heat loss around windows, doors and baseboards.

Winterize your home when you leave for extended periods.

- Keep temp at 55°
- Turn off water at main and drain lines by opening up faucets
- Flush toilets and add antifreeze

In extreme cold, open kitchen and bathroom cabinet doors to circulate warm air. Have your faucets trickle water. If you have a pipe burst, shut off water at main and contact a plumber and the association.

\*Disregard this notice if you paid the special assessment in full.

# Community Corner

Stewardship of the lake at Lake Barrington Shores poses several environmental, technical, and community-based challenges, particularly around water quality, invasive species, nutrient management, and the need for public engagement and sustainable planning.

**Water Quality and Contaminants** - Efforts to maintain and improve water quality are complicated by the possibility of contamination from urban runoff, residential use of pesticides and herbicides, and other sources, such as discharge from drilling or metal factories. Periodic evaluations are needed to monitor levels of contaminants like barium, manganese, and potential bacterial agents (e.g., E. coli), requiring regular assessments and compliance with state and federal standards.

**Invasive Species Management** - Controlling non-native invasive species, such as buckthorn, and restoring native habitats is a major challenge. Initiatives undertaken locally, like the “Healthy Hedges” program, highlight the importance of ongoing vegetation management to maintain ecological balance and improve water and shoreline health.

**Nutrient Loading and Runoff** - Storm water runoff and leaves accumulating on streets add phosphorus waterways leading to nutrient pollution. Excess nutrients can degrade lake ecosystems, causing issues like algal blooms and reduced water clarity, and require collaborative land management and infrastructure improvements.

**Shoreline Erosion and Habitat Restoration** - Sediment accumulation from eroded shorelines and streambanks affects lake health, and comprehensive bioengineering and habitat restoration are necessary to slow erosion and improve aquatic environments. Restoring native riparian buffers is a widely recommended strategy but requires sustained investment and labor.

**Collaboration and Public Engagement** - Effective lake stewardship depends on coordination among various stakeholders—residents, homeowners’ associations, municipal authorities, and environmental groups. Education is crucial for fostering appreciation, encouraging responsible practices, and ensuring long-term support for stewardship goals.

**Regulatory Compliance and Monitoring** - Meeting regulatory standards for water safety and conducting regular monitoring are ongoing challenges. Lack of coordination and adequate resources can hamper timely detection and remediation of environmental issues. Stewardship of Lake Barrington Shores requires addressing water quality, invasive species, runoff, erosion, and collaborative engagement, underscoring the need for a sustained, multifaceted efforts that involve both technical solutions and active community participation.

## We are thrilled to announce the launch of our **2026 Golf Memberships!**

Thank you for the warm welcome we received from the Lake Barrington Shores community, and to all of our golf members who helped make the 2025 season such a tremendous success. We're excited for the 2026 season ahead and the many improvements to come! You'll notice a few updates this year, beginning with our membership names:

The **Platinum Membership** will become the **SIGNATURE Membership**.

The **Silver Membership** will become the **CLASSIC Membership**.

Residents will be referred to as **PREMIER Members**.

We are also pleased to share that **Monthly Member Charge Accounts** will now be available for both Signature and Classic memberships. Many of you requested this added convenience, and we're delighted to offer it beginning in 2026.

In even more good news,  
**greens and cart fees will remain unchanged** for the upcoming season.

Looking ahead, we're planning a full calendar of **golf and social events**, as well as enhanced dining experiences. Member-Guest and Member-Member tournaments will once again be highlights of the season, complemented by fantastic social events such as wine tastings, Easter Brunch, holiday celebrations, and more - everything that makes belonging to a private club truly special.

**Early Bird Pricing** will be available through **January 15, 2026**. Be sure to take advantage of these membership savings!

We can't wait to share another great year with you on and off the course.

**On the following page you will find the membership rates as well as the link to our 2026 membership application.**

## COURSE IS NOW CLOSED FOR THE SEASON

Dear Residents & Members,

As we move into the off-season, please note that the golf course is now closed for all play and general use until it reopens in the spring. It was a pleasure serving you this season!

During the off months, our grounds team works to protect and prepare the turf for next season. The grass is dormant and especially vulnerable to damage. To help maintain course quality, we ask that residents refrain from any activities that may harm the turf, greens, or course features. Golf play is strictly prohibited, and rules violations will be issued.

We understand that many residents enjoy walking and taking in the winter scenery. We would like to discourage you from being on the golf course at all, because we are trying to continue to improve course conditions. However, if you do venture out, wherever possible, please try to stay on the sides and avoid the greens, tee boxes, bunkers and fairways, and always keep safety and course preservation in mind.

Your cooperation ensures that the course remains in excellent condition for everyone to enjoy when it reopens in the spring.

Thank you for your understanding and continued support of this asset in our community.

Lake Barrington Shores Golf Club, LLC

## ZUMBA

Zumba is one of the most popular group exercise programs. It is geared toward any fitness level and routines are built over time. Good coordination is not a requirement. The goal is to just keep moving. There are many benefits from participating in a Zumba class:

- Aerobic benefits - maximizes your cardiac health, increases metabolism and lowers blood pressure
- Low Impact- easy on the joints
- Increases balance, stability and agility
- Keeps your brain sharp
- Boosts emotional health
- Weight management-burn 300-600 calories

Come and give Zumba a try. Zumba is held on Tuesdays and Fridays at 9:30am. Classes are held in the ballroom. The cost is \$10 per class or \$50 for 6 classes. For info. Contact Chris at [clueders001@gmail.com](mailto:clueders001@gmail.com).

## LADIES 9 HOLE LEAGUE

The weather outside is frightful but golf is so delightful. The nine hole ladies league met for their annual Christmas brunch in the lodge. It was nothing but fun “catching up”, reminiscing about the past season and looking forward to the 2026 season.

It's never too early to think about golf. If you need inspiration, go outside and pack yourself a little white golf ball (oops, I mean snowball). Hit that little snowball, then dream of spring with beautiful green fairways.

If you are interested in joining the league, we'd love to have you! For further information, email Karen Ramagnano at [klramag@comcast.net](mailto:klramag@comcast.net).

Enjoy the holidays!!!

## WATER AEROBICS

**Low Impact, High Rewards: Gentle on Joints, Mighty on Results.**

Benefits Include:

- Improved Cardiovascular Fitness
- Increased Muscle Strength and Endurance
- Enhanced Flexibility and Balance
- Reduced Stress
- Improved Mood
- Help in Weight Loss Management

Instructor Led classes M, W, F from 8:00am - 9:00am.  
Indoor Pool at The Lodge. Mid-September - Memorial Day  
Outdoor Pool. Memorial Day - Mid-September

Come try it out! Trial class is free then \$5.00 per class. \$25 yearly equipment fee.

## 2026 GotS' Christmas Party Fun, Food, Friendships and Festivities

Members of the Gardeners of the Shores Garden Club gathered for a cheery Christmas Party filled with friendship, festive décor, and seasonal spirit. The Social Committee's wonderful food was truly enjoyed by all in attendance. Their hard work and creativity added that special touch that helped make the event truly memorable. Mary Jo Colantino decorated the tables with sparkly lighted branches that were truly magical while lively conversation and laughter made the evening a wonderful opportunity to relax and enjoy time together. A favorite highlight of the night was the Split-the-Pot raffle.

The Christmas Party was a lovely way to wrap up the year and celebrate the friendships that continue to grow within our club. With gratitude for a successful year behind us, we look forward to another season of learning, planting, and blooming together.

*Don't forget to visit us on Facebook where you will find additional pictures and other items of gardener interest.*

# CHARTER CLUB UPDATES

*We Want You! Time to renew or join for the 2026  
Gardeners of the Shores Calendar Year!*

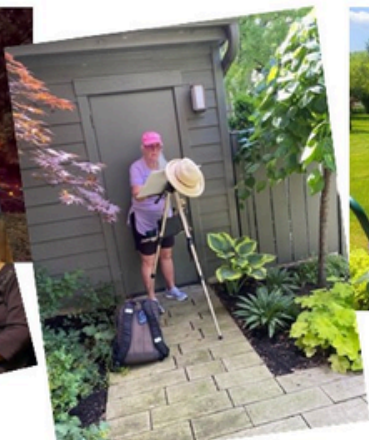

Gardeners of the Shores (GotS) has become one of the premier clubs at LBS. "It takes a village" to accomplish all we do. Therefore, WE NEED YOU! Please consider joining us in our diverse endeavors and interests from natural prairies to domestic gardens to pollinator friendly gardens to tours of exceptional gardens, botanical gardens, international gardens and conservator gardens to creative workshops with plants and planters and more!

GotS has not raised their dues from \$25/year in over ten years. Now is the time to join and take advantage of this stable pricing before rates are increased!

We have listened and we have heard you. This is the first year that paying dues electronically through Zelle is being initiated. Please electronically "Zelle" your payment to our new email setup solely for this use at: [dues2gots@gmail.com](mailto:dues2gots@gmail.com). This year is also being considered a "test" for wider use of electronic payments which is now the preferred method. Show your support and send in your dues using your bank's Zelle program.

For new members, a link to the necessary new membership form is in the GotS "Membership" section of the Shores Weekly, can be found on the coffee counter in the lower level of the lodge or can be requested by email to [gardenersoftheshores@gmail.com](mailto:gardenersoftheshores@gmail.com). If paying by check, you may mail or deliver to: Sandy Penfield, 695C ShorelineRd.

## Butterfly Garden Corner

This is a new feature of the Gardeners of the Shores newsletter reporting by the Butterfly Garden Committee to keep you apprised of progress and happenings with the butterfly garden. Be sure to check in weekly!

News has it that the Butter Braid sale was a huge success and will provide funds for the garden re-design, plants, statuary and more for some months to come. Orders may be picked up on December 19th at the Lodge between 3 and 6 pm. There have also been some wonderful donations of money, talent, time, and resources which will be recognized in upcoming newsletters.

Last, but not least, we have a Split-the-Pot Raffle winner! The total "Pot" was \$320.00. Our winner of the half split (\$160.00) was Sylvia Kmiec. Congratulations, Sylvia! Sylvia, in turn, generously donated half of her winnings (\$80) back to the Butterfly Garden Reimagine Project, making \$240.00 the total amount going to the Butterfly Garden Committee for their budget in restoring this important garden habitat. Thank you Sylvia and thank you to all who participated!
