Growing Our Butterfly Garden

A wonderful new garden feature is coming to LBS. The Helen Horton Memorial Butterfly Garden will be located at the foot of the Marina Deck. It will feature a range of native plants sure to attract a variety of gorgeous butterflies. We honor the memory of Helen as one of the founders of the Gardeners of the Shores.

To fund this project, we're selling sweet, yeasty breads called Butter Braids, which have 25 buttery layers and come in mouthwatering fillings like cinnamon, cream cheese and fruit flavors. Great for breakfast, dessert, holidays or any special occasion. For more information, please call Carol Dallstream at (847) 380-0486.

How to order: Order forms can be found on the lower level of the Lodge by the coffee machine. Physical order forms can be dropped off with your check at the home of Maria Rapata, 271 Oak Hill. Please look for the drop off basket. Digital orders can be placed using the QR code on the order form.

Orders must be in by December 12th and picked up on December 19th. Get your Butter Braids in time for Christmas AND help the butterfly garden come alive!

Winter Maintenance &

Safety Tips

Lake Barrington Shores SM

Have your furnace inspected for proper function and the filter replaced.

Make sure you have an emergency contact with a key to your home listed with the association.

Make sure smoke alarms and carbon monoxide detectors are installed and working on every floor of your home.

Check batteries on your thermostat, smoke alarms, carbon monoxide detectors, and sump pump battery backup.

Have your fireplace and chimney inspected and cleaned prior to use for the season.

Keep garage doors closed.

Attached garages can have

water pipes in them. Plus this will also stop cold air from entering home.

Weatherproof your outdoor plumbing. Shut off the supply of water to outdoor spigots and drain them. Rollup your sprinkler hose & store it for the winter.

Block drafts using weather stripping, window film and caulk to control heat loss around windows, doors and baseboards.

Winterize your home when you

leave for extended periods.

- Keep temp at 55°
- Turn off water at main and drain lines by opening up faucets
- Flush toilets and add antifreeze

In extreme cold, open kitchen and bathroom cabinet doors to circulate warm air. Have your faucets trickle water. If you have a pipe burst, shut off water at main and contact a plumber and the association.

Here's a BIG thank-you to the LBS Golf Clubhouse Staff! All of them have been working to create a welcoming space for both the residents and non-resident golfers.

They continuously put forth extra efforts to provide excellent food, drinks, and fun. Even on days when either large parties are present or when the club is slow and not well attended, they offer service with a smile.

Please come out and support this fabulous staff as they grow with the LBS residents and golfers to make the Clubhouse "A PLACE TO BE SEEN!"

This is a good time to review your coverage with your insurance agent to confirm there are no gaps in protection. As an aid in this process, a letter has been prepared by the association's insurance broker for you to provide to your agent.

A copy of this letter can be found by clicking here or by visiting lakebarringtonshores.org.

LBS GOLF CLUB

As we move into the off-season, please note that the golf course is now closed for all play and general use until it reopens in the spring. It was a pleasure serving you this season!

During the off months, our grounds team works to protect and prepare the turf for next season. The grass is dormant and especially vulnerable to damage. To help maintain course quality, we ask that residents refrain from any activities that may harm the turf, greens, or course features. Golf play is strictly prohibited, and rules violations will be issued.

We understand that many residents enjoy walking and taking in the winter scenery. We would like to discourage you from being on the golf course at all, because we are trying to continue to improve course conditions. However, if you do venture out, wherever possible, please try to stay on the sides and avoid the greens, tee boxes, bunkers and fairways, and always keep safety and course preservation in mind.

Your cooperation ensures that the course remains in excellent condition for everyone to enjoy when it reopens in the spring.

Thank you for your understanding and continued support of this asset in our community.

Warm regards, Lake Barrington Shores Golf Club Board & Staff

A wonderful new garden feature is coming to LBS. The Helen Horton Memorial Butterfly Garden will be located at the foot of the Marina Deck. It will feature a range of native plants sure to attract a variety of gorgeous butterflies. We honor the memory of Helen as one of the founders of the Gardeners of the Shores.

A Magical Evening Celebrating Christmas at Cantigny

On the evening of December 21, Gardeners of the Shores enjoyed a dazzling holiday outing to one of the area's most spectacular Christmas light displays. Bundled in scarves, hats, and plenty of seasonal cheer, we gathered to see the Cantigny grounds transformed into a winter wonderland.

The walking paths led us through a series of displays—twinkling forests, glowing archways, and

bright scenes that lit up the night sky with many

pausing for photos beneath sparkling tunnels of lights or near some of the magnificent displays. We also had the opportunity to tour the first floor of the elegantly decorated McCormick Mansion and to join in the fun of a "Mouse Hunt."

Laughter and warm conversation filled the air as participants took their time exploring each section of the exhibit, enjoying each other's company and our gorgeous surroundings, sharing impressions of favorite displays and enjoying a moment of relaxation before heading home. It was a wonderful opportunity to connect, celebrate the season, and create memories together.

The visit to the Cantigny Christmas light show was truly a bright spot in

Don't forget to visit us on Facebook where you will find additional pictures and other items of gardener interest.

Split-the-Pot Raffle

\$5 Raffle tickets will be on sale during the GotS Holiday Party on 12/12 prior to the drawing for the winner near the end of the celebration. Half will go to the drawing winner and half to the Butterfly Garden restoration.

LBS LADIES BOWLING

★The Week 6 Roll-Up: Spares, Strikes, and Standings! **★**

It was another week of high-octane action on the lanes! As we hit the **Week 6** mark, the tension is thicker than the oil on a fresh lane (and you know how thick that can be!). The Team Standings are

- 1 Mother Boards Cathay Foley Laurie Feldman, Richelle Kunkel
- 2 Techies Chix with Tricks Jackie Andrew, Kathy Hoffman, Karen Ramanagno
- 3 Hot Shots Janis Nowak, Nan Claassen, Maggie Black

If you'd like to sub or make up a team for the second half contact Phyllis Hahn (phahn1031@gmail.com). We'll be at 3-D Lanes in Island Lake on Thursday mornings.
