LBCHA (MASTER) BOARD MEETING HIGHLIGHTS – JANUARY 2026

Highlights from the January 2026 Master Board meeting are summarized below. These highlights do not include all actions taken. For full meeting details, please refer to the official meeting minutes.*

Saturday, January 10 – The Board held its preparation work session on Saturday, January 10, reviewing business for the upcoming meeting and conducting several violation hearings.

Line of Credit

The Board renewed the association's \$2,000,000 line of credit as part of its ongoing financial management plan.

2024 Draft Audit

The Board approved the draft 2024 Audit. Once the auditing firm issues the final version, it will be posted on the Connect Resident Portal for owners.

2025 Audit

Due to delays in finalizing the 2024 Audit, and following the Finance Commission's recommendation, the Board approved transitioning to Cukierski & Associates for audit services under a four-year agreement.

ICE Visit Response Plan

The ICE (Immigration and Customs Enforcement) Visit Response Plan, developed last fall, is now available for owners to review on the Connect Resident Portal.

Landscape Maintenance

Due to ongoing service issues and based on the Landscape Commission's recommendation, the Board of Directors has approved moving landscape maintenance service for Condos 7-13 to Beary Landscaping. This service change is for the 2026 season.

Platform Heater

The Board approved replacing one of the eight platform tennis heaters. The unit being replaced is currently non-functional and cannot be repaired.

Public Safety Reminder: E-bikes and Scooters

Lake Path & Motorized Vehicles

On the roadway, these vehicles must adhere to the same traffic laws as automobiles. We have seen incidents involving e-bikes and scooters failing to stop at intersections. For everyone's safety, please ride responsibly and obey all posted signage.

*Meeting minutes are posted on the private side of www.lakebarringtonshores.org once they become available. Just click "Homeowner Login" and navigate to the resident portal document storage to view.

LOOKING FOR BINGO VOLUNTEERS!

The Village of Lake Barrington is looking for volunteers to run Bingo at a special event this summer. Bingo will run for one hour. If you are interested in volunteering, please email lakebarrington@lakebarrington.org or call 847-381-6010.

50% of all pedestrian fatalities and **80% of serious injuries**, due to the frontal impact of a car, happen at **21-30mph**, but only **rarely at 20mph or below**, as there is more time to react, brake, stop, and ideally, avoid a crash.

Winter Maintenance & Safety Tips

Lake Barrington Shores SM

Have your furnace inspected for proper function and the filter replaced.

Make sure you have an emergency contact with a key to your home listed with the association.

Make sure smoke alarms and carbon monoxide detectors are installed and working on every floor of your home.

Check batteries on your thermostat, smoke alarms, carbon monoxide detectors, and sump pump battery backup.

Have your fireplace and chimney inspected and cleaned prior to use for the season.

Keep garage doors closed. Attached garages can have water pipes in them. Plus this will also stop cold air from entering home.

Weatherproof your outdoor plumbing. Shut off the supply of water to outdoor spigots and drain them. Rollup your sprinkler hose & store it for the winter.

Block drafts using weather stripping, window film and caulk to control heat loss around windows, doors and baseboards.

Winterize your home when you leave for extended periods.

- Keep temp at 55°
- Turn off water at main and drain lines by opening up faucets
- Flush toilets and add antifreeze

In extreme cold, open kitchen and bathroom cabinet doors to circulate warm air. Have your faucets trickle water. If you have a pipe burst, shut off water at main and contact a plumber and the association.

DANCING ON THE SHORES

Our inaugural dance party was an unmitigated success! We had over 30 attendees who were undeterred by Bears game and came out to strut on the dance floor.

We are looking forward to the next opportunity to expand the class repertoire and present more dance moves on Saturday, February 7th from 7:00pm to 9:00pm

So grab your favorite partner or come in solo and have fun dancing.

The class will last approximately 45 minutes and free style dance will follow.

Please sign up early on our website at dancelbs.com - space is limited.

CHARTER CLUB UPDATES

 Lake Barrington Shores

Bird & Butterfly Club

We're baaaaaack~

The BBC will start regular monthly meetings again in February this year due to an outing taking place in January.

If you are interested in learning more about the birds and butterflies found here at LBS and surrounding areas, where to see them, how to identify them, and would like to meet folks who share your interest please join us! Our first meeting of the year will be on Wednesday, February 18th at 10 am in the Clubroom of the Lodge. Everyone is welcome to attend; there are no dues.

BUTTERFLY NEWS - THE GOOD AND THE BAD

NORTHERN CRESCENT
67% decline

SILVERY BLUE
63% decline

AMERICAN LADY
58% decline

CHARTER CLUB UPDATES

A recent study published in the journal Science updated the status of butterfly populations in the contiguous United States. Researchers found a 22% loss of butterflies in the country including 128 species found in the Chicagoland area like the Northern Crescent, Silvery Blue, and American Lady. Experts attribute the decline to habitat loss, climate change, and pesticide use. A class of pesticides called neonicotinoids, banned in Europe since 2018, is especially deadly.

The U.S. Fish and Wildlife Service (USFWS) in December 2024 recommended the Monarch butterfly for federal protection under the Endangered Species Act. After hitting an almost record low in 2024, overwintering monarchs in Mexico rebounded significantly in 2025 according to the Mexican government and the World Wildlife Fund. The increase may be attributed to some relief from drought along the migration route of monarchs east of the Rocky Mountains. But the decision to include monarchs on the endangered species list has not yet been made. Public comment on the nomination included a letter to the USFWS from the Golf Course Superintendents Association of America requesting and substantiating that golf courses be excepted from any additional restrictions that might arise if the Monarch is granted endangered species status.

The study also found that North American butterfly species are moving northward in search of more hospitable conditions and encouraged people to create habitat refuges for butterflies and other insects by planting native flowers, shrubs and trees and remember that when you spray something on your plants to keep things from eating them, you are spraying caterpillars too and they are butterflies-to-be.

We are fortunate and grateful to be working with the Gardeners of the Shores to re-invigorate the butterfly garden at the memorial above the marina. Thank you to the volunteers who have worked to remove invasive plants, plan, and raise funds to restore this important garden.

**BBC meetings are held on the
THIRD WEDNESDAY OF THE MONTH
at 10:00 am
in the Clubroom of the Lodge.
Everyone is welcome - no dues or obligation.**

CHARTER CLUB UPDATES

We Want You!

*January is time to renew or join
for Gardeners of the Shores 2026*

Gardeners of the Shores (GotS) has become one of the premier clubs at LBS. "It takes a village" to accomplish all we do. Therefore, **WE NEED YOU!** Please consider joining us in our diverse endeavors

and interests from natural prairies to domestic gardens to pollinator friendly gardens to tours of ex-

ceptional gardens, botanical gardens, international gardens and conservator gardens to creative workshops with plants and planters and more!

GotS has not raised their dues from \$25/year in over ten years. Now is the time to join and take advantage of this stable pricing before rates are increased!

We have listened and we have heard you. This is the first year that paying dues electronically through Zelle is being initiated. Please electronically "Zelle" your payment to us by using contact name Gar-

deners of the Shores and our new email dues4gots@gmail.com as the contact address on your online banking site. This year is also being considered a "test" for wider use of electronic payments which is now the preferred method. Show your support and send in your dues using your bank's Zelle program.

For new members, a link to the necessary new membership form is in the GotS "Membership" section of the Shores Weekly, can be found on the coffee counter in the lower level of the lodge or can be requested by email to gardenersoftheshores@gmail.com. If paying by check, you may mail or deliver to: Sandy Penfield, 695C Shoreline Rd. (with new member form when applicable).

For more information on becoming a member email gardenersoftheshores@gmail.com.

Don't forget to visit us on Facebook where you will find additional pictures and other items of gardener interest.

CHARTER CLUB UPDATES

Butterfly Garden Corner

GotS Pg 3

January Update: The refurbishment of the **Helen Horton Memorial Butterfly Garden** is moving forward as a major community effort spearheaded by the Gardeners of the Shores. Fundraising is underway. These funds are designated for site preparation, design reconfiguration, and purchasing plant materials. Key contributions to date include:

- ♦ **\$1,500:** Grant from the Gardeners of the Shores.
- ♦ Approximately **\$650:** Raised via the LBS community Butter Braid fundraiser.
- ♦ **\$160:** Raised through a "split the pot" raffle at the GoTS holiday party.
- ♦ **\$240 Individual Donations** Thank you to the Syverson family, Sylvia Kmiec and Chris O'Rourke.
- ♦ Mike Schmechtig, President of **Schmechtig Landscapes** and an LBS resident, is generously donating a **landscape design plan**. Further specifics regarding the plan will be shared in the future **Butterfly Garden Corner** updates as the design is finalized throughout 2026.
- ♦ Bob Kerr, an LBS resident, is donating his artistic talent to create a **butterfly sculpture** for the garden.

Thank you to our LBS community for your ongoing support with this project!
