Public Service Announcement:

DID YOU KNOW there
are scams to take
your title on your
home?

We've had first hand experience with this -
someone who doesn't own property trying to
list it saying they are the owner!

Scammers can steal your personal information
through data breaches, phishing, or social
engineering. They then forge documents to
illegally transfer the title of your property into
their own name.

Once they control the title, they can take out
loans against your home, attempt to sell it, or
leave you with unexpected debts, all without
your knowledge.

[Learn how to protect your property.](#)

MANAGEMENT OFFICE UPDATES CELEBRATING CHERYL AND MARY

Receptionist, Cheryl Stencil

We are pleased to share, with both joy and heartfelt appreciation, that our receptionist, Cheryl Stencil, will be retiring. Her final day with us will be March 27. Cheryl joined our team two years ago at a critical moment, and from day one she stepped in with confidence and capability. She immediately took charge of the reception desk, bringing order, calm, and a high level of professionalism to a fast-paced environment. Known for her exceptional operational efficiency and her talent for managing multiple priorities with ease, Cheryl quickly became an indispensable part of our management office. Her steady presence and commitment to excellence have made a meaningful impact on our daily operations and on everyone she has assisted along the way.

Thank you Cheryl for your service to Lake Barrington Shores.

Landscape Manager, Mary Albanese

We share with gratitude and appreciation that Mary Albanese will be retiring from her role as Landscape Manager, with her last day in this position on March 27. While she steps back from her full-time role, residents and contractors will still see Mary around the property—she has generously agreed to remain with us on a part-time, ad-hoc basis to support special projects and assist with the transition.

Mary joined our management team in 2023, and in just a few seasons she delivered improvements that will have lasting impact across the community. With unparalleled knowledge of land-management and exceptional project-management skill, Mary strengthened operations from the moment she arrived.

During her tenure, she implemented an improved shrub-pruning program, shortened the tree-pruning cycle, led the seasonal enhancement program, collaborated closely with volunteer clubs, and brought critical attention to the need for long-term stormwater management solutions. She successfully completed multiple capital-improvement projects, ensuring the community continues to evolve with both beauty and sustainability in mind. These achievements represent only a portion of her meaningful contributions.

Thank you, Mary, for your hard work, dedication, and lasting impact on our community.

ELECTRIC RATE RENEWAL – MARCH 2026

The current electric rate offered through the association's broker / supplier (AUS/MC2) expires in March 2026. The current rate is 6.95 cents per kWh and the **renewal is a fixed rate of 8.75 cents per kWh for 12 months.** While this is an increase of almost 2 cents, it is 9% less than the current ComEd rate of 9.66 per kWh. If you are currently on this plan, you will receive a notice advising you of the new rate. You do not need to do anything to stay with this rate. If you would like to opt out, instructions will be on the notice on how to do so.

Did you know?

The Illinois Commerce Commission regulates utilities for the state of IL? Before switching electric suppliers, do your homework as many may entice you with low rates which are variable and will rise. Visit [Plugin Illinois](#) for more information on suppliers, their rates, and performance ratings.

MASTER BOARD MEETING SCHEDULE

Work sessions take place at 9:00am. Meetings take place at 7:00pm unless noted. When deemed necessary by the Board of Directors, meetings will be hosted by Zoom. Otherwise meetings will be held at the Lodge at the Shores, 64 Old Barn Road.

SNOW PLOW DAMAGE

Spring is just around the corner, and with any luck, our days of surprise snowfalls are behind us. As many of you know, winter plowing can cause occasional disruption to turf and landscaping throughout the community. Our maintenance crews have already begun addressing these areas by resetting boulders, removing debris, and resetting existing sod. Please keep in mind that the **Public Works Department is responsible for all snow-related damage repairs**, as outlined in the snowplow contracts.

All repairs must be completed **no later than April 30th.**

We have already catalogued the areas needing attention; however, if you notice additional damage, you may submit a work order at www.lakebarringtonshores.org.

As temperatures rise and new seed is installed near your home, **a little watering will go a long way** in helping the turf establish and regrow successfully.

10:00 am - Program

The Lodge - Ballroom

There have been many accounts of survival during the Holocaust, but very few of a woman's active heroism-particularly if that woman was a young Jewish Polish girl when she began saving lives of people she did not know. Alicia faced a terrifying and violent world and managed to retain her faith in humanity, in God, and in her people.

Our **Living Your Best** series begins with coffee, breakfast pastries, and conversation at 9:30am. Program follows at 10:00am in the Ballroom. You must pre-register online or at LBS Management Office. Cost is \$6 / person.

2026 DATES

June 6, July 11 & August 1
10:00am - Marina Rooftop

Lake Barrington Shores is proud to partner with **SOUL Harbour Ranch** and the **Pet Partners "Walk with Me"** program!

You already know walking is good for you. But did you know that people who walk with an animal are more likely to meet physical activity recommendations? LBS residents and their guests are encouraged to come walk (with or without your pet) and we'll be joined by our friends at Soul Harbor Ranch and their mini therapy horses and therapy dogs. The little guys will accompany us on our walk to get their daily exercise!

Meet at Marina Rooftop. 30 minute walk followed by 30 minute social.
Weather Permitting. No sign-up required.

**The SOUL Harbour Ranch Animal Therapy Program (501(c)3) offers Animal-Assisted Interventions (fun activity, therapy and educational visits and programs) within the Barrington and surrounding communities with their registered mini therapy horses, mini therapy donkeys and therapy dogs. They visit nursing homes, homes for the disabled, community outings and even hospitals!

 Lake Barrington Shores

Bird & Butterfly Club

SPRING is SPRINGING!

... and the birds are busy!

The Mallards and Canada geese can be seen on the lake and flying in for a landing. The eagles are nesting, the Sandhill cranes are mating, and swans have come to visit!! Those of us who stay in town are breathing a deep sigh of relief, and even venturing outside to walk again along our beautiful shoreline or just around our yards and gardens. Soon we will see signs of wildflowers and early spring perennials popping up. Here are some photos courtesy of our club members. Keep your eye out for the arrival of more shorebirds including loons, cranes, Mergansers, and Buffleheads.

You can go see this eagle nest at McHenry Dam, they should be hatching soon!

The Bird and Butterfly Club meets
**THIRD WEDNESDAY OF EVERY
MONTH**
at 10:00 am in the Clubroom of the
Lodge
Everyone is welcome - no dues or
obligation!

CHARTER CLUB UPDATES

Planting Seeds of Inspiration (and a Few New Garden Ideas)

Gardeners of the Shores recently introduced Stacy Lachen of Sweet E's Flowers who treated us to an enlightening and informative gardening talk that had everyone making mental notes about what to try (or fix!) in their own gardens this year.

Stacy shared a wealth of knowledge on plants, soil, dealing with our wildlife neighbors, and techniques for keeping gardens healthy and productive. From clever planting ideas to practical tips for keeping things growing strong, the presentation offered plenty of inspiration. Judging by the nodding heads around the room, it looked as if many were already picturing their own gardens bursting with new possibilities.

Many thanks to Stacy for sharing her expertise and helping our gardening knowledge grow right along with our plants. For those who were not able to attend, Sweet E's also offers a subscription service that will provide fresh flowers to your home on a regular basis. Check her website for more information: www.SweetEsflowers.com.

With spring around the corner, we're sure many of the ideas from this presentation will soon be popping up in LBS gardens.

AND NOW HOW ABOUT A WALK ON THE WILD SIDE...

Members and anyone wishing to join Gardeners of the Shores members are invited to a talk and slide presentation by Gerry Wright, the Site Steward for Cuba Marsh. Following the presentation Gerry will lead a guided tour of Cuba Marsh, where we'll explore native plant restoration, wildlife habitats, seasonal highlights, and how these protected lands benefit both people and pollinators alike.

Date: April 29, 2026

Presentation Location: The Ballroom in the Lodge

Site Visit Location: Cuba Marsh Forest Preserve, 24205 W. Cuba Road, Deer Park

Time: 10:00 am

Please keep following us for more information about this new adventure.

Butterfly Garden Corner

Help the Butterfly Garden Bloom!

Butterfly gardens are special places. They nurture the soul and the environment. They're a place of beauty and solace, but also a vital haven for pollinators who enrich the natural ecosystem.

By connecting people to the nature that surrounds us, we can inspire a deeper appreciation for the environment and encourage stewardship for generations to come.

Financial contributions make all this possible.

There are two ways to help financially to bring this garden to life:

You may donate to the *GoFundMe here <https://gofund.me/3b5319cae>

If you prefer, checks may be made out to Gardeners of the Shores. Please write "Butterfly Garden" in the memo. Checks may be mailed to Cindy Webber 688 Old Barn Road Lake Barrington Illinois 60010.

Gardeners of the Shores is grateful for the recent butterfly garden donations from Marsha Fitzgibbons and Jim and Laurel Bateman.

Our garden club is a local nonprofit community organization with an EIN. While we are not a 501(c)(3) tax exempt charity, every contribution goes directly towards plants, materials and installation for the butterfly garden. Your support will help us create something meaningful. We are deeply grateful for any amount you feel you are able to give to bring this vision to life.

*Please note, a tip is optional and one may move the toggle on the GoFundMe to change the tip to zero or whatever amount you desire. GoFundMe is a free service with a 2.9 % fee plus thirty cents for processing the transactions. The tip helps support GoFundMe and the service they provide.

ZUMBA

Zumba is one of the most popular group exercise programs. It is geared toward any fitness level and routines are built over time. Good coordination is not a requirement. The goal is to just keep moving. There are many benefits from participating in a Zumba class:

- Aerobic benefits - maximizes your cardiac health, increases metabolism and lowers blood pressure
- Low Impact- easy on the joints
- Increases balance, stability and agility
- Keeps your brain sharp
- Boosts emotional health
- Weight management-burn 300-600 calories

Come and give Zumba a try. Zumba is held on Tuesdays and Fridays at 9:30am. Classes are held in the ballroom. The cost is \$10 per class or \$50 for 6 classes. For info. Contact Chris at clueders001@gmail.com.

INAUGURAL kids ★ rank MILITARY CHARITY GOLF OUTING

MONDAY, MAY 11

REGISTER TODAY

Military kids are incredibly strong, but they shouldn't have to be brave alone. Join us at Lake Barrington Shores Golf Club for our first-ever Kids Rank HOME Golf Outing. For these children, "home" isn't where you live, it's who shows up for you.

**LAKE BARRINGTON
SHORES GOLF CLUB**

**40 SHORELINE RD,
LAKE BARRINGTON, IL**

**SHOTGUN START: 11:30 AM
DINNER RECEPTION: 5:00 PM**

Kids Rank builds community and belonging for military children facing the unique challenges of frequent relocations and parental deployments. Through our CONNECT, LEAD, and SERVE programming, we help kids discover that no matter how many times they move, they always have a place where they belong.
