OUTDOOR POOL

The Outdoor Pool is open daily from 4:30am - 9:00pm.

The Outdoor Pool is NOT guarded by lifeguards and is SWIM AT YOUR OWN RISK.

- You **are required** to show a valid LBS ID card to access the outdoor pool. **Those without a LBS ID card will be turned away.**
- Guests **are required** be accompanied by LBS residents. **Guests may not use a resident's ID card, they will be turned away.**
- Children under age 16 **are required** to have an adult with them for the entire duration of their time at the pool.
- No food or drinks (other than water) are allowed on the pool deck. You may utilize the patio adjacent to the pool for eating and drinking.
- Guests are permitted to bring 4 guests each time they visit the pool. In addition to the 4 guests you are allocated 10 additional guest passes to be used throughout the year. These can be accessed when you check in with the pool attendant.
- Floats are not permitted at the pool, with the exception of personal floatation devices and "noodle" type floating devices.
- For a complete list of pool rules please see pages 33 - 36 in the rule book.

MARINA AND BEACH

The Marina is staffed Monday - Friday from 12:00pm - 8:00pm and

Saturdays / Sundays / Holidays from 10:00am - 8:00pm

Marina: 224-545-7462 (during open hours)

The Lake is NOT guarded by lifeguards and is SWIM AT YOUR OWN RISK

- You may check out a row boat or kayak at the Main Gate between sunrise - 12:00pm (weekdays) and sunrise - 10:00am (weekends and holidays). You will need your LBS ID card.
- **Free Rides** are offered on the Pontoon Boat Monday - Friday at 1:00pm and 2:00pm and on weekends / holidays at 11:00am, 12:00pm, 1:00pm, and 2:00pm. This schedule may be adjusted on Sundays when a Sailing Race is scheduled. All Sailing Races will be listed on the monthly calendar included in "The Shores Weekly".
- All swimmers must swim in the designated swim area.
- Fishing should only be done from the pier side and is not permitted from the beach side
- No Dogs Allowed at the Beach
- For a complete list of marina / beach rules please see pages 38-43 in the rule book.

Beach Party Guidelines

- Only one beach party can be booked per day. Parties can never take over the entire beach. There will be a maximum of 35 people per party.
- Three picnic tables and one of the grills are included with your beach rental.
- The Beach must be kept clean. Final cleanup must have all waste contained in plastic bags and deposited in the proper receptacle provided.
- A refundable deposit of \$100 is required at time of sign-up. Should additional cleanup be required, those costs will be taken from that deposit. Any unused remaining balance will be refunded, and any costs above \$100 will be assessed to the unit owner's account.
- To schedule a beach party please contact Jamie.Scheppman@FSResidential.com

PET PARTNERS "WALK WITH ME" WITH SOUL HARBOUR RANCH THERAPY MINI HORSES & THERAPY DOGS

2026 DATES

**June 6, July 11 & August 1
10:00am - Marina Rooftop**

Lake Barrington Shores is proud to partner with **SOUL Harbour Ranch** and the **Pet Partners "Walk with Me"** program!

You already know walking is good for you. But did you know that people who walk with an animal are more likely to meet physical activity recommendations? LBS residents and their guests are encouraged to come walk (with or without your pet) and we'll be joined by our friends at Soul Harbor Ranch and their mini therapy horses and therapy dogs. The little guys will accompany us on our walk to get their daily exercise!

Meet at Marina Rooftop. 30 minute walk followed by 30 minute social. Weather Permitting. No sign-up required.

**The SOUL Harbour Ranch Animal Therapy Program (501(c)3) offers Animal-Assisted Interventions (fun activity, therapy and educational visits and programs) within the Barrington and surrounding communities with their registered mini therapy horses, mini therapy donkeys and therapy dogs. They visit nursing homes, homes for the disabled, community outings and even hospitals!

Sponsored by LBS Community Affairs Commission

UNDERSTANDING OUR LANDSCAPING POLICIES

Landscaping operations within Lake Barrington Shores are guided by seven policies that provide the framework for how the LBS Landscape Manager, Landscape Commission, and Master Board carry out their landscaping responsibilities. These policies establish consistent standards and procedures for managing our community's landscape resources.

These policies:

- **Promote consistency** by ensuring similar situations are handled in the same manner.
- **Reduce conflict** by establishing clear expectations that minimize misunderstandings between homeowners and management.
- **Support fairness** by ensuring decisions are based on established standards rather than personal opinions or relationships.
- **Protect the Association** by promoting reasonable, consistent decision-making that reduces the risk of legal challenges.
- **Improve efficiency** by providing established procedures rather than requiring each issue to be addressed from scratch.
- **Provide continuity** by preserving institutional knowledge as Landscape Managers, Commission members, and Master Board members change over time.

As a Lake Barrington Shores homeowner or resident, it is important to understand these policies, including their purpose and how they affect our community. Below is a summary of each policy, along with a link to its full text.

Policy #2 – Common Area Landscape: Unit Owner Responsibilities for Requesting and Maintaining Alterations

Outlines the process homeowners must follow when requesting alterations to the Common Area landscape and the responsibilities they assume for maintaining approved alterations.

Policy #4 – Common Area: Pet Damage

Explains homeowner and resident responsibility for damage caused by pets to Common Area landscaping and provides for reimbursement to the Association for resulting losses or damage.

Policy #5 – Natural Areas: Management and Preservation

Establishes standards for the preservation, protection, and maintenance of Natural Areas to ensure their long-term health and viability.

Policy #9 – Tree Pruning Requests from Unit Owners

Provides a process for homeowners to request pruning of Common Area trees when they create view obstructions or nuisance conditions, while ensuring consistent tree maintenance throughout the community.

Policy #13 – Tree Vandalism/Damage to Property

Protects the forested character of Lake Barrington Shores by prohibiting damage to trees and establishing penalties for vandalism or other unauthorized damage.

Policy #14 – Tree Removal Requests from Unit Owners

Provides a process for homeowners to request removal of Common Area trees for view obstruction or nuisance conditions while ensuring compliance with the Village of Lake Barrington Tree Protection Ordinance.

Policy #15 – Violation of Landscape Policies: Notice and Hearing

Establishes the notice and hearing procedures for homeowners or residents alleged to have violated any Lake Barrington Shores Landscape Policy.

Community Corner

PRESSURE.....THE MOVIE

PETE'S PICKS

I sat in awe watching this intense true story movie about the D DAY 1944 sea/land invasion of France destined to bring an end to WW II. Eisenhower was the boss but weather was the all consuming topic for over 100 minutes of filming. Nothing was spared depicting this drama on the screens of hundreds of USA movie theaters in May of this year.

Tension was ramped up from the first early minutes of the film. Everything was ready except for the weather which became the key deciding factor as the story unfolded. Actors, producers, cameramen and directors poured their talents into this magnificent film production.

A rare true replication of this monumental event is taking place before your very eyes....plus a great effort in authenticity was achieved.

STORYLINE: This was not fiction, but a real story about the conflict of weather forecasting between 2 reliable/experienced experts who were responsible for determining what the weather would be on June 5, 1944 for the invasion. A tense, sober, powerful drama of WW II. The largest military event in history.

DIRECTING: British and Americans were on board led by Anthon Maras...who was the writer/author of this original stage play.

CASTING: In the key role of Dwight Eisenhower was Brenden Fraser who performed exactly as the lead person in this film. His acting "chops" were at its best for the entire 100 minutes of film time. The 2 weather experts were also compelling in their reporting of the weather for June 5.... which was postponed one day to June 6th after ominous storms, wind and downpours became a reality.

CAMERA WORK: The old clips added to new filming and made for an interesting story as the invasion dates and actual invasion took place, All in all, the camera did give us many closeups of what happened during this sea/air invasion of Normandy.

MUSIC & SOUND: Not much music but nothing was sacrificed with the overwhelming sound of bombs, cannons, rifle fire and the pounding surf.

SUMMARY: The 1940's and WW II are almost ancient history today....but this movie takes us back decades with a message to never forget what our country contributed to global peace by ending this horrific conflict. You must watch it on the big screen.

Community Corner

PESTS

Please see the reminders below:

Insect Control

All interior pest control and exterior pest control, other than ants and bees, is the responsibility of the homeowner. Please visit www.lakebarringtonshores.org and click on Work Order to enter a Work Order Request for EXTERIOR treatment of ants or bees, noting the specific location of the nest.

Rodents

All interior and exterior rodent control is the responsibility of the homeowner, including and not limited to mice, rats, chipmunks and squirrels. If you discover an access point for rodents on the exterior of your building, please visit www.lakebarringtonshores.org and click on Work Order to enter a Work Order Request for maintenance to seal the hole, noting the specific location of the opening.

Animal Inspection Request

Wildlife is part of this community, including and not limited to bats, rabbits, opossums, skunks, raccoons, coyotes and deer. Some of these animals (skunk, opossum, raccoon, squirrel, bat) will chew or burrow or find entry to a building. It is only then, when an animal causes damage to the building, that the association will trap. Please visit www.lakebarringtonshores.org and click on Work Order to enter a Work Order Request for maintenance to inspect, noting the specific location of the damage. If bird feeders are present, whether yours or your neighbors, maintenance will not take steps to remove the animal that the bird feeder potentially attracted until the bird feeder has been removed.

IMPORTANT SAFETY NOTICE: GOLF COURSE ACCESS

We would like to remind all residents of an important safety policy regarding course access.

During golf season, the golf course is closed to all non-golfers, including walkers, children, and pets. Over the past several days, golfers have encountered multiple instances of individuals walking on the course while play was underway. While everyone enjoys our beautiful grounds, the presence of non-golfers on an active course creates a serious safety risk.

Golf balls can travel at very high speeds and often without warning. Even the most cautious golfer cannot always prevent an errant shot, and the risk of injury—particularly to young children—is significant. In addition to personal safety concerns, unauthorized access also raises potential liability and insurance issues for our community.

During the Golf Season, We kindly ask all residents to help us keep everyone safe by:

- If you are not golfing, Avoiding the golf course entirely during the golf season, and
- Respecting posted signage and staff instructions

These measures are not meant to limit enjoyment of the community, but rather to ensure that golfers and non-golfers alike can coexist safely.

Thank you for your cooperation and for helping us maintain a safe and enjoyable environment for all.

Community Corner

A NOTE TO THE COMMUNITY FROM THE LAKE AND PONDS COMMISSION

You may have noticed that the lake is looking greener than it normally does during this part of the summer. According to Environmental Aquatic Management (EAM), the company that helps us maintain a healthy aquatic ecosystem in our lake, the unseasonably hot weather we had in the spring started the greenish colored microscopic algae growing much earlier than usual.

EAM has assured us that the lake is in very good shape, despite the color. Many other lakes in the county look the same. EAM sprays our lake and ponds weekly to manage filamentous, microscopic green algae and worrisome aquatic plants. It is important to know that some water lily pads are beneficial. They shade the water from the intense summer sun and give the fish protective cover and a cooler place to go as the water warms up later in the summer.

You may have also noticed that the aerators or bubblers in the North Bay are not working. We are waiting for parts to arrive that are needed to fix them. The same is true of the two waterfalls we have at LBS.

Fishing Tips: Using circle hooks make it less likely that the fish will swallow the hook. And, when practicing catch and release, please remember to always wet your hands with lake water before you handle your catch. This will assure that the biological shield or slime coating on the fish stays intact. This protects fish from waterborne diseases. Thanks!

The poster features a man with long blonde hair and sunglasses playing an acoustic guitar on a wooden deck. The background is a blurred outdoor setting. The text 'LIVE *Patio* MUSIC' is in the top left, 'Steve Critman' is in the bottom left, and 'Wednesday July 1 6 - 8 PM' is in the bottom right. A large acoustic guitar is overlaid on the right side of the poster, with a treble clef symbol on its body.

CHARTER CLUB UPDATES

This Week's Sailing Events

Saturday, July 4 - Independence day

No sailing instructions this week. Learn-to-sail will return.
See the *Shores Weekly* for our next "Learn-to-Sail".

Coming next weekend

Sunday, July 12 at 1 PM Sailing Regatta

All boats must be rigged by 12:30 PM for the Skipper's Meeting.
We are encouraging members and the community to come watch the races.
If not sailing, bring a picnic basket and your favorite beverage to watch the regatta Ravinia-style. Listen in on the Skippers' Meeting if you'd like to learn about the prevailing winds of the day and how they affect the race.

After the Regatta - Sunset Chill & Grill

We'll start the grill and you bring your dinner. Watch the Sunset with friends...
Bring a side to share (optional). We will provide Hot Dogs for those who don't or are unable to bring Dinner to Grill.

Member Event - SUNSET CHILL & GRILL AFTER THE REGATTA

A photograph of a sunset over a body of water. The sky is a mix of orange, red, and yellow, with the sun low on the horizon. The water reflects the colors of the sky. In the foreground, the silhouettes of several sailboats are visible on the water.

Sunset Chill & Grill
after the Regatta

For membership info, contact Judie.Reynolds@Yahoo.com

CHARTER CLUB UPDATES

2026 PICKLEBALL SEASON

The 2026 LBS Pickleball Club season is underway!

This year the club is establishing the opportunity for different skill level play during drop in every morning Monday - Friday 9 - 11am. Players will have the opportunity to choose their court according to the level selection general guidelines for beginner, intermediate and advanced. The guidelines and court designations will be posted at the courts.

The club dues for this year are \$25 cash for residents. To join you may contact Lynn at lbspickleballlynn@gmail.com. Joining the club, gives you access to our new 2026 LBS Pickleball Club Team Reach where players connect for daily play and special event information. (As of May 1, the existing Team Reach app group used by LBS pickleball players will be deactivated.). The dues also provide balls for the morning drop in play.

We welcome new and returning members to a fun season of pickleball!

CHARTER CLUB UPDATES

MEN'S BRIDGE NOW OPEN FOR ADDITIONAL PLAYERS!

Are you an LBS man who wants to have a fun time and has experience playing bridge? Then join us some or every Tuesday in the Lodge card room from 1:00 to 4:00pm! Just contact Bob Broda at 847-381-6165 for a seat.

FISHING CLUB

To join the Fishing Club contact Steve Rapata at lbsanglers@gmail.com

THE CONSERVATORS

Preserving, Protecting and Restoring native areas

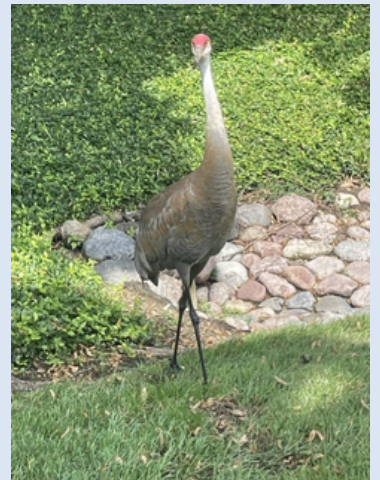

Join us in our 35 acre forest preserve on Monday mornings. We'll meet at 9:00 at the Old Barn entrance. Call or text Ann at 847-714-5228 or email her at golda57@hotmail.com for details.

Come and learn about restoration and be a part of this amazing process. There are many ways for you to help. Give us the opportunity to show and guide you.

We continue to eliminate invasive plants such as buckthorn and honeysuckle. Russian olive, privet, barberry, garlic mustard, dames rocket, thistle, yellow and white sweet clover and European alder are also invasive and are removed to give native plants a chance to grow.

We also pick, prepare and sow native seed. Consider joining our team for this rewarding and important work. Seed picking will be spontaneous. Call Ann to get on our list.

The sandhill cranes love LBS as much as we do.

LBS THURSDAY MAH JONGG

Please join us if you play MJ and would like to play with a friendly group. We are a drop in group who meets each Thursday at the Lodge in the card room from 9:30am-12:00pm. Join us on Thursdays or can call Shirley Bossard at 847-363-2907 with questions.

TRIPLE PLAY / CANASTA

If you're looking for an easy, fun game to play (will teach if needed), please join us. We are a friendly drop in group that meets every Friday from 9:30am to 12 noon in the card room at The Lodge. There is no sign up. Join us when you can. Questions: call Martie 847-601-7994 or Ginny 847-921-1638

CHARTER CLUB UPDATES

LBS TENNIS ASSOCIATION

Congratulations to our top scorers, Christine and Rolland! Great playing!

Thanks to our hosts Jeannie, Paul, Joe, and Martha! Delicious food- especially those desserts!

There will be drop-in tennis on Saturday, July 4. Our next tournament is on Saturday, July 11 at 9:00 when we'll be celebrating Wimbledon! We'll wear white and play one game with wooden rackets!

It's not too late to join the Lake Barrington Shores Tennis Association! If you want to find out more about us, join us for drop-in tennis on Tuesday and Thursday mornings from 9-11, or late afternoons from 4:30-8:00.

You can also contact us at LBSTA2024@gmail.com for more information.

If you don't play tennis, consider becoming a social member.

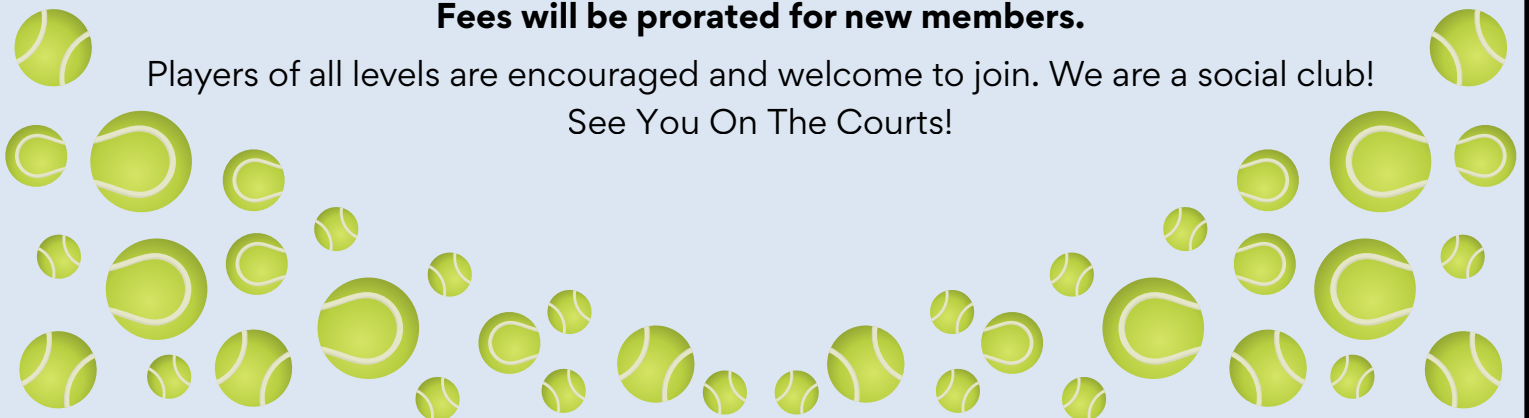

Dues for playing members are \$85 a year and \$70 for non-playing members.

A playing membership entitles you to participate in the weekend tournaments, all social events including a meal after each tournament, and unlimited use of the ball machine. A social membership entitles you to take part in all social events.

Fees will be prorated for new members.

Players of all levels are encouraged and welcome to join. We are a social club!

See You On The Courts!

CHARTER CLUB UPDATES

CHARTER CLUB UPDATES

Tropic Delights in the City

Members of Gardeners of the Shores are all set for an exciting upcoming visit to the beautiful Lincoln Park Conservatory, one of Chicago's botanical treasures. Step inside these four historic Victorian era glass greenhouses and leave the outside world behind as you explore lush tropical plants, colorful blooms, majestic palms, gorgeous orchids, and fascinating exotic specimens from around the globe. You can then venture outside to visit the Formal Garden, Bates Fountain, the Von Schiller Monument, the Old English-style Grandmother's Garden, and the Shakespeare Monument.

Date: July 16

Location: Lincoln Park Conservatory, Chicago

Time: 8:30 Tennis Court Parking Lot OR Train* (please see note below)

Lunch: RJ Grunts, Lincoln Park

RSVP: By July 10 to Dara Saunders - dlsfrog@att.net

***For those who wish to drive we will meet at 8:30 at the Tennis Court Parking Lot to carpool to Chicago.**

For those who wish to take the train into Ogilvie Transportation Center we will meet you at 10:00 am at the front entrance to the Conservatory. You will have to arrange your own transportation between Ogilvie and the Conservatory.

A Little Bit of History – By the mid-1800's Chicago had become overcrowded. City leaders became concerned about the ill effects of both population growth and industrialization and how the presence of plant life could play a vital role in maintaining environmental health and human well-being. This resulted in an interest in collecting and classifying plant life. The decision was made to build a new and more substantial conservatory which would replace a small greenhouse built in the 1870s. Architects Joseph Lyman Silsbee and M.E. Bell designed and built an exotic-style glass conservatory which was described as "a paradise under glass". Originally, the aquatic plants were placed in a heated pond outside and were later moved into tanks inside the conservatory. The Conservatory's exotic plants were so popular that in 1897, the Egyptian government asked the Conservatory for seeds of water lilies flowers.

Bring your curiosity, your camera, and your love of plants as we enjoy a day surrounded by nature's beauty in the heart of Chicago. We hope you'll join us for this green and growing adventure!

CHARTER CLUB UPDATES

MONDAY/WEDNESDAY MAHJONG GROUP

Perhaps you have been wanting to join a Mahjong Group here at LBS and would be interested in joining the Monday/Wednesday Mahjong Group which meets each week on Monday and Wednesday at the Lodge from 9:00 am to 12 noon.

Come one or both days whatever works for you! Contact Ann Kramer 847 902 9778 or ann.kramer@sbcglobal.net for more information.

Forest Preserve Conservators

Plant of the Week – Fragrant Water-lily/Native

One of the most important plants here at LBS is the Fragrant Water-Lily. Also known as American White Water-lily. The showpiece of the water-lily is the flower, which opens in the morning and closes in the afternoon. Eventually, the flowers close and sink beneath the water and plants turn its energy while its fruit matures. They also grow from rizomes

However, flowers are not what make water-lilies so valuable to us. They do two things that are very important to the health of the lake. First, water-lilies are particularly good at adding oxygen to the water. This is particularly important to the fish. Low oxygen can lead to fish die-offs. Second, the plants provide an environment for smaller fish to hide from predators. Third, the leaves shade the water, which cools the water. This is particularly important in the summer, because hot water promotes algae blooms. The plants also remove nutrients from the water. Excess nutrients are the biggest factor in generating algae blooms.

All parts of the plant are edible and were used by native people as both food and medicine.

While water-lilies are important to the health of Lake Barrington. LBS does take steps to make sure they do not grow to cover too much of the lake surface. They are sprayed in the fall, which kills them back, but they return in the spring.

In Native American lore, water-lilies symbolized peace and purity. Some tribes believed the spirit of a star resides within the flower. American White Water-lily have been used in traditional wedding ceremonies, representing unity and the sacred bond of marriage.

ZUMBA

Zumba is one of the most popular group exercise programs. It is geared toward any fitness level and routines are built over time. Good coordination is not a requirement. The goal is to just keep moving. There are many benefits from participating in a Zumba class:

- Aerobic benefits - maximizes your cardiac health, increases metabolism and lowers blood pressure
- Low Impact- easy on the joints
- Increases balance, stability and agility
- Keeps your brain sharp
- Boosts emotional health
- Weight management-burn 300-600 calories

Come and give Zumba a try. Zumba is held on Tuesdays and Fridays at 9:30am. Classes are held in the ballroom. The cost is \$10 per class or \$50 for 6 classes. For info. Contact Chris at clueders001@gmail.com.

LBS - Own Ride Service! O'Hare - Local - The Loop ***Reliable Relaxing Reasonable***

Over 3,000 Resident Rides

Geez, you know it is easy to say "Wow that Denny, what a great guy!" The world however is full of great people, but few are Authentic. We didn't compare cost to other ride services like, Uber or Taxies. For us, the cost is Relative. We heard Fabulous stories about Denny from other airport travelers. Our choice is to keep our dollars here in LBS. Denny is an Outstanding Driver and Terrific Conversationalist! Speaking with you or being silent, Denny knows how to read his car. Having done all the Marketing for LBS, he can share its rich history. The ride is Informative as he likes to exchange Ideas and Information with the riders and it is also Fun - often sprinkled with Laughter. He takes you On Time to where you are going in his nice clean Lincoln. Remarkable ? We say "Yes" ! Denny is the only ride for us !

Thinking About Joining Me?

I'm Roberto — born and raised in Spain, now calling Minnesota home. Spain is where my family still lives, and where I love sharing the country's wine, food, and culture with the people I host. I personally guide you through medieval towns and villages, with access to historic buildings most visitors never see.

I'd love to come visit Lake Barrington Shores in person for a casual Spain travel presentation — sharing photos and answering every question you have. If there's interest from the community, just reach out and I'll happily make the trip from Minnesota.

Check out more at vinomn.com under Spain Tours.

Calling all artists and decorators to help with
Citizens for Conservation's 4th of July parade preparations!
Join us for our 4th of July parade float decorating volunteer day on Thurs.
7/2, from 9-11 AM at CFC's Hill 'N Dale Preserve Office.

We will be:

Finalizing our oak tree structure and timeline

Adding final touches to signs for the parade float

Planning the walking group

Please RSVP to Eleanore Kelleher at ekelleher@citizensforconservation.org
for float decorating.
