YO MAMA!

This space devoted to tips and info to help Mother Earth, desperately in need of our TLC.

Its a Hot Mess!

A few reminders as we navigate through these dog days of summer.

Keep your air conditioner set at one steady temperature rather than turning it up and down frequently. Each start up to a lower temp increases electricity usage. Pick a daytime temp and a nighttime temp you can live with and try to stay there.

Your ceiling fan is your friend. While it does not take the place of an air conditioner it can make your room feel cooler than it is. In summer months, the key is to have the fan blades turn counterclockwise pushing the cool air downward. To maximize this effect, run the fan at high speed. A floor fan situated in your direction can also help.

Avoid oven use that will heat up the kitchen. Opt instead for the microwave or toaster oven. Or, how about a cold meal on those hot days when appetites wane anyway?

Water your plants either early in the morning or late afternoon/early evening. In the heat of the day water evaporates more quickly from the suns intensity.

Our feathered and four legged friends would appreciate a bird bath or shallow bowl of water set in a shady spot on deck or patio. They need hydration just as we do and more so in summer's heat.

Close curtains and shades to block direct sunlight from heating your living space. Reopen when the sun goes down and temperatures drop.

"Small acts, when multiplied by millions of people, can transform the world."

The 2026 LBS Pickleball Club season is underway!

This year the club is establishing the opportunity for different skill level play during drop in every morning Monday - Friday 9 - 11am. Players will have the opportunity to choose their court according to the level selection general guidelines for beginner, intermediate and advanced. The guidelines and court designations will be posted at the courts.

The club dues for this year are \$25 cash for residents. To join you may contact Lynn at lbspickleballlynn@gmail.com. Joining the club, gives you access to our new 2026 LBS Pickleball Club Team Reach where players connect for daily play and special event information. (As of May 1, the existing Team Reach app group used by LBS pickleball players will be deactivated.). The dues also provide balls for the morning drop in play.

We welcome new and returning members to a fun season of pickleball!

THE CONSERVATORS

Preserving, Protecting and Restoring native areas

Join us in our 35 acre forest preserve on Monday mornings. We'll meet at 9:00 at the Old Barn entrance. Call or text Ann at 847-714-5228 or email her at golda57@hotmail.com for details.

Come and learn about restoration and be a part of this amazing process. There are many ways for you to help. Give us the opportunity to show and guide you.

We continue to eliminate invasive plants such as buckthorn and honeysuckle. Russian olive, privet, barberry, garlic mustard, dames rocket, thistle, yellow and white sweet clover and European alder are also invasive and are removed to give native plants a chance to grow.

We also pick, prepare and sow native seed. Consider joining our team for this rewarding and important work. Seed picking will be spontaneous. Call Ann to get on our list.

This is creeping bellflower. It is invasive and does not belong in your garden or our natural areas.

LBS THURSDAY MAH JONGG

Please join us if you play MJ and would like to play with a friendly group. We are a drop in group who meets each Thursday at the Lodge in the card room from 9:30am-12:00pm. Join us on Thursdays or can call Shirley Bossard at 847-363-2907 with questions.

TRIPLE PLAY / CANASTA

If you're looking for an easy, fun game to play (will teach if needed), please join us. We are a friendly drop in group that meets every Friday from 9:30am to 12 noon in the card room at The Lodge. There is no sign up. Join us when you can. Questions: call Martie 847-601-7994 or Ginny 847-921-1638

Butterfly Corner: Hidden Gems

I am excited to share four family-owned shops in downtown Lake Zurich that are not only delightful hidden treasures but also generous donors to our butterfly garden.

Lake Zurich Florist

Getting to know Ann LoveJoy was a wonderful experience. She is incredibly grateful for her career here and speaks highly of her dedicated team. This flower and gift shop is a must-visit for anyone who appreciates beautiful cut flowers and unique gifts.

Après

While you are at the flower shop, stop next door to treat yourself to a taste of France. Jenn, the owner and baker, offers extraordinary creations that are truly delicious. I recommend enjoying a treat there and taking some home to share.

Pure Beauty by Maggie

Located across the street, this all-organic day spa is an excellent local gem. Maggie is a certified Eminence skin care expert using plant-based, non-toxic ingredients to help you look and feel your best.

Lake Jewelers

Next door to Pure Beauty is my favorite jeweler. This family-run business offers beautiful new pieces and high-quality in-house repairs. Their well-priced services keep me coming back, and I recommend them highly.

I hope you enjoy exploring these wonderful local businesses and letting them know how grateful you are that they are supporting our LBS BUTTERFLY GARDEN

Tropic Delights in the City

Members of Gardeners of the Shores are all set for an exciting upcoming visit to the beautiful Lincoln Park Conservatory, one of Chicago's botanical treasures. Step inside these four historic Victorian era glass greenhouses and leave the outside world behind as you explore lush tropical plants, colorful blooms, majestic palms, gorgeous orchids, and fascinating exotic specimens from around the globe. You can then venture outside to visit the Formal Garden, Bates Fountain, the Von Schiller Monument, the Old English-style Grandmother's Garden, and the Shakespeare Monument.

Date: July 16

Location: Lincoln Park Conservatory, Chicago

Time: 8:30 Tennis Court Parking Lot OR Train* (please see note below)

Cost: No Charge (The Conservatory suggests a \$10 donation)

Lunch: RJ Grunts, Lincoln Park (at attendee's expense)

RSVP: By July 10 to Dara Saunders - dlsfrog@att.net

***For those who wish to drive we will meet at 8:30 at the Tennis Court Parking Lot to carpool to Chicago.**

For those who wish to take the train into Ogilvie Transportation Center we will meet you at 10:00 am at the front entrance to the Conservatory. You will have to arrange your own transportation between Ogilvie and the Conservatory.

A Little Bit of History – By the mid-1800's Chicago had become overcrowded. City leaders became concerned about the ill effects of both population growth and industrialization and how the presence of plant life could play a vital role in maintaining environmental health and human well-being. This resulted in an interest in collecting and classifying plant life. The decision was made to build a new and more substantial conservatory which would replace a small greenhouse built in the 1870s. Architects Joseph Lyman Silsbee and M.E. Bell designed and built an exotic-style glass conservatory which was described as "a paradise under glass". Originally, the aquatic plants were placed in a heated pond outside and were later moved into tanks inside the conservatory. The Conservatory's exotic plans were so popular that in 1897, the Egyptian government asked the Conservatory for seeds of water lilies flowers.

Bring your curiosity, your camera, and your love of plants as we enjoy a day surrounded by nature's beauty in the heart of Chicago. We hope you'll join us for this green and growing adventure!

I'm Roberto — born and raised in Spain, now calling Minnesota home. Spain is where my family still lives, and where I love sharing the country's wine, food, and culture with the people I host. I personally guide you through medieval towns and villages, with access to historic buildings most visitors never see.

I'd love to come visit Lake Barrington Shores in person for a casual Spain travel presentation — sharing photos and answering every question you have. If there's interest from the community, just reach out and I'll happily make the trip from Minnesota.
